Dear Implementation Team Members:

Thanks for agreeing to serve on the Healthy Food Systems, Healthy People Implementation Committee. A full list of con members is attached. Also attached is the Executive Summary for the Healthy Food Systems/Healthy People project as w full Report. Rick Mertens, Associate Director for Federal Relations for Agriculture and Natural Resources with Texas A& University, has agreed to Chair the group.

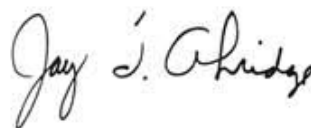

Your Committee's charge is to take the Healthy Food Systems/Healthy People Report, and develop an implementation str: which includes a budget for the proposed work, and a funding/advocacy strategy. I believe with the report in hand this tasl quickly. And, we have a budget and structure that was used for a similar project focused on water (which is attached as w would like your Committee's report by July 1, 2016 in time for the Joint COPs meeting July 17-20, 2016 in San Antonio,

You can find the Executive Summary and Final Report of the water initiative at:

Executive Summary: <http://www.aplu.org/projects-and-initiatives/agriculture-human-sciences-and-resources/water/water-executive-summary-jan-2015.pdf>

Final Report: http://www.aplu.org/members/commissions/food-environment-and-renewable-resources/CFERR_Library/national-initiative-on-the-improvement-of-us-water-security/file

We would be pleased to answer further questions for you if you have any. You will receive a Doodle poll very soon to sch first conference call for the Committee. Thanks again for agreeing to serve on this important Committee.
